

Every time I have opened my garage door, the dog across the street has barked, so if I open the door today, then the dog will probably bark. It is early in the morning; hence I don't wish to disturb the neighbors. If the dog barks, it will disturb the neighbors. So I should not open the garage door.

- (1) Every time I have opened my garage door, the dog across the street has barked.
- (2) If I open the garage door today, then the dog will probably bark.
- (3) It is early in the morning.
- (4) I don't wish to disturb the neighbors.
- (5) If the dog barks, it will disturb the neighbors.
- (6) I should not open the garage door.
